THE WORLD TRADE CENTER
CONTRACT WTC-113.00
SPRAY-ON FIREPROOFING
NORTH AND SOUTH TOWERS

August 4, 1970

Fourth Supplemental Agreement to Contract WTC-113.00

WHEREAS, Mario & DiBono Plastering Company, Inc., (hereinafter called the "Contractor") and The Port of New York Authority (hereinafter called the "Authority") have heretofore entered into a contract in writing designated Contract WTC-113.00 and entitled "The World Trade Center - Spray-On Fireproofing - North and South Towers" dated March 17, 1969, and executed by the Authority on March 24, 1969 (hereinafter called the "Contract"); and

WHEREAS, the Contractor and the Authority desire to amend said Contract in certain respects, NOW, THEREFORE, it is hereby agreed that Contract WTC-113.00 is hereby amended in the following respects:

✓ 1. On page 122, delete the title "SPRAYED ON FIBROUS ASBESTOS" after paragraph 13.01.a.

✓ 2. On page 122, delete subparagraph 13.01.a.1. in its entirety and substitute the following subparagraph in lieu thereof:

"1. The spray-on fireproofing shall be an asbestos free material, CAFCO BLAZE SHIELD Type D C/F as manufactured by the United States Mineral Products Co., or approved equal."

✓ 3. On page 123, delete the 8th thru 14th lines inclusive of paragraph 13.03.2 which reads:

"paragraph; provided, however, that excessively large areas of loose and friable material shall be brought to the attention of the Engineer and if in the opinion of the Engineer this condition is not representative of normal and acceptable friable and loose material, the Contractor may be ordered to remove same under the provisions of the clause of the Form of Contract entitled "Compensation for Extras"."

and insert the word "paragraph." in lieu thereof.

4. On page 123, of the Third Supplemental Agreement to Contract WTC-113.00, delete subparagraph 32.1.a. in its entirety and substitute the following subparagraph:

"a. The spray-on fireproofing shall be an asbestos free material, CAFCO BLAZE SHIELD Type D C/F as manufactured by the United States Mineral Products Co., or approved equal."

5. The Contractor, by the signing of this Supplemental Agreement and in consideration for the payments to be made hereunder, has remised, released and forever discharged, and by these presents does for itself, its heirs, executors and administrators, successors and assigns, remise, release and, forever discharge the Authority, its successors and assigns of and from all manner of action and actions, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variations, trespasses, damages, judgments, extents, executions, claims and demands whatsoever, in law, in admiralty, or in equity, which against the Authority, the Contractor, its successors and assigns, ever had, now have, or hereafter can, shall or may have, for upon, or by reason of any matter, cause or thing whatsoever against The Port of New York Authority arising out of, by reason of, under or in connection with the Contract or this Supplemental Agreement, relating to any loss or damage of any kind whatsoever arising out of or in connection with the removal of excessive rust from steel to be fireproofed under the Contract, including this Supplemental Agreement.

6. All spray-on fireproofing installed under the subject Contract utilizing CAFCO BLAZE SHIELD Type D Asbestos fibers and not coated with CAFCO MARK II overspray shall be completely sealed by the Contractor with a seal complying with the following:

1. Poly Vinyl Acetate Emulsion Co. - Polymer Dispersion.
